

In synchronicity with ICF's global vision: *To be in service of humanity flourishing*, the ICF Ottawa Chapter would like to welcome you to the **International Coaching Week 2015 OPEN event!**

This vibrant panel debate, among three senior coaches, explores the psychosocial impact of coaching whether it be in an organization, a nonprofit, a neighborhood or a family. The view from above will help you communicate the value proposition of your coaching practice in your communities of practice.

PANEL MEMBERS BIOGRAPHIES

DENIS LEVESQUE

Denis has been coaching for the last 7 years, has obtained his coaching education at the University of Royal Roads and has had the pleasure to work with clients from all industries at all levels of the organization. Denis has learned that running a coaching practice is as much as providing great services as it is to market and sell your services.

JASON BILLOWS

Jason Billows believes that business should be about more than the bottom line. He helps entrepreneurs and executives to succeed in business, without compromising their other priorities in life. Much of his recent work has focused on helping coaches build their businesses, so they can share the gifts they're meant to share, and serve the people they're meant to serve. You can learn more at www.JasonBillows.com and www.ConstantClients.com.

CRYSTAL CAMPBELL

Crystal Campbell, PCC is President of c2 coaching + consulting, a career and leadership development firm with offices in Ottawa + Toronto. c2 exists to spark smart career shifts and sustainable leadership changes in professionals, executives and organizations. Crystal specializes in assisting individuals and teams encountering career choices and transitions, and those with an appetite to become better leaders. Prior to making her own career transition, Crystal was the Director of Communications at a private university in Toronto.

JULIE FRANCISCO

Julie Francisco, ACC, ORSCC, and President of the ICF Ottawa Chapter, takes a playful and daring approach to changing organizations from the inside out. An executive coach and leadership development expert, her passion is working with groups and individuals engaging them in looking at challenges critically and creating new outcomes with a bigger impact. As an Organizational and Relationship Systems Coach her focus is on the relationship with the group, team or system and this approach creates sustainable and resilient teams, families and individuals.

HAZEL BAZINET

Hazel Bazinet has worked for Rogers Communications Partnership Inc. for the past 15 years. In her current role as the Performance Enablement Manager, she is leading the shift to a coaching culture for the Ottawa site. She and her team of coaches are leading the rollout of a Leadership Coaching Series. With a background in adult learning, she is passionate about enabling the facilitation and coaching skills across the leadership team. Her focus also includes empowering the coachees to embrace this

cultural shift by developing roadmaps for great conversations. Hazel Bazinet also volunteers her skills in support of "SHEO: Sledge Hockey of Eastern Ontario" and "Groupe Action: Maison de la Famille de Rockland".
